

ECSSO Enquiry/Feedback form Module For Magento 1.2.x -1.4.x

Steps for Installation

Please follow the instruction to install Enquiry

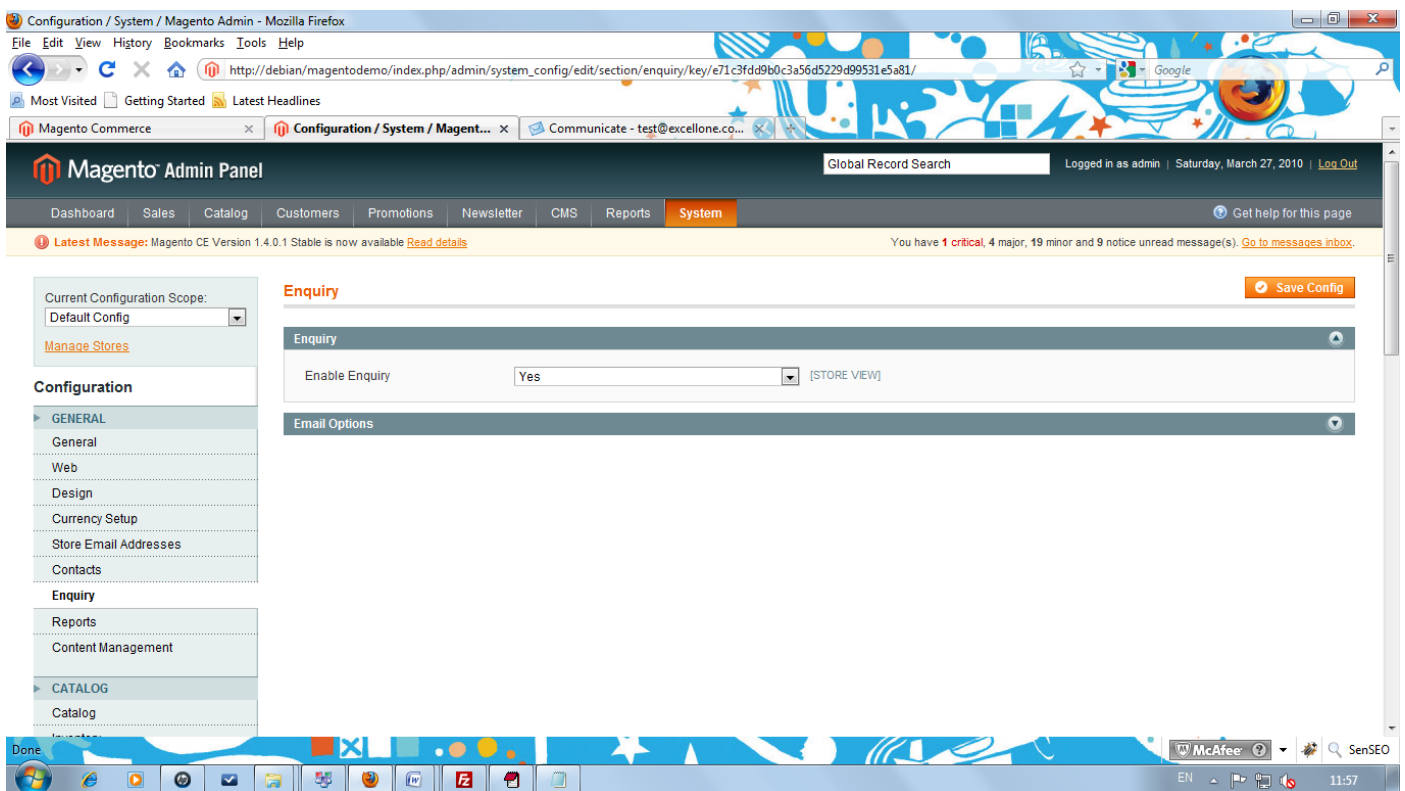

1. Extract the zip file Enquiry.zip
2. Copy file Enquiry/app/etc/modules/Ecsso_Enquiry.xml to /app/etc/modules
3. Copy the full folder Enquiry/app/code/local/Ecsso to /app/code/local
4. Copy the file Enquiry/app/design/frontend/default/default/layout/enquiry.xml file to corresponding active layout (Eg:/app/design/frontend/default/default/layout)
5. Copy the full folder Enquiry/app/design/frontend/default/default/template/enquiry to corresponding active template (Eg:/app/design/frontend/default/default/template)
6. Copy all files from Enquiry/app/locale/en_US/template/email/ to app/locale/en_US/template/email.

After Installing the Enquiry module, through the front-end it can be accessed by the link {Magento base url}/enquiry/ (Eg:http://example.com/enquiry/)

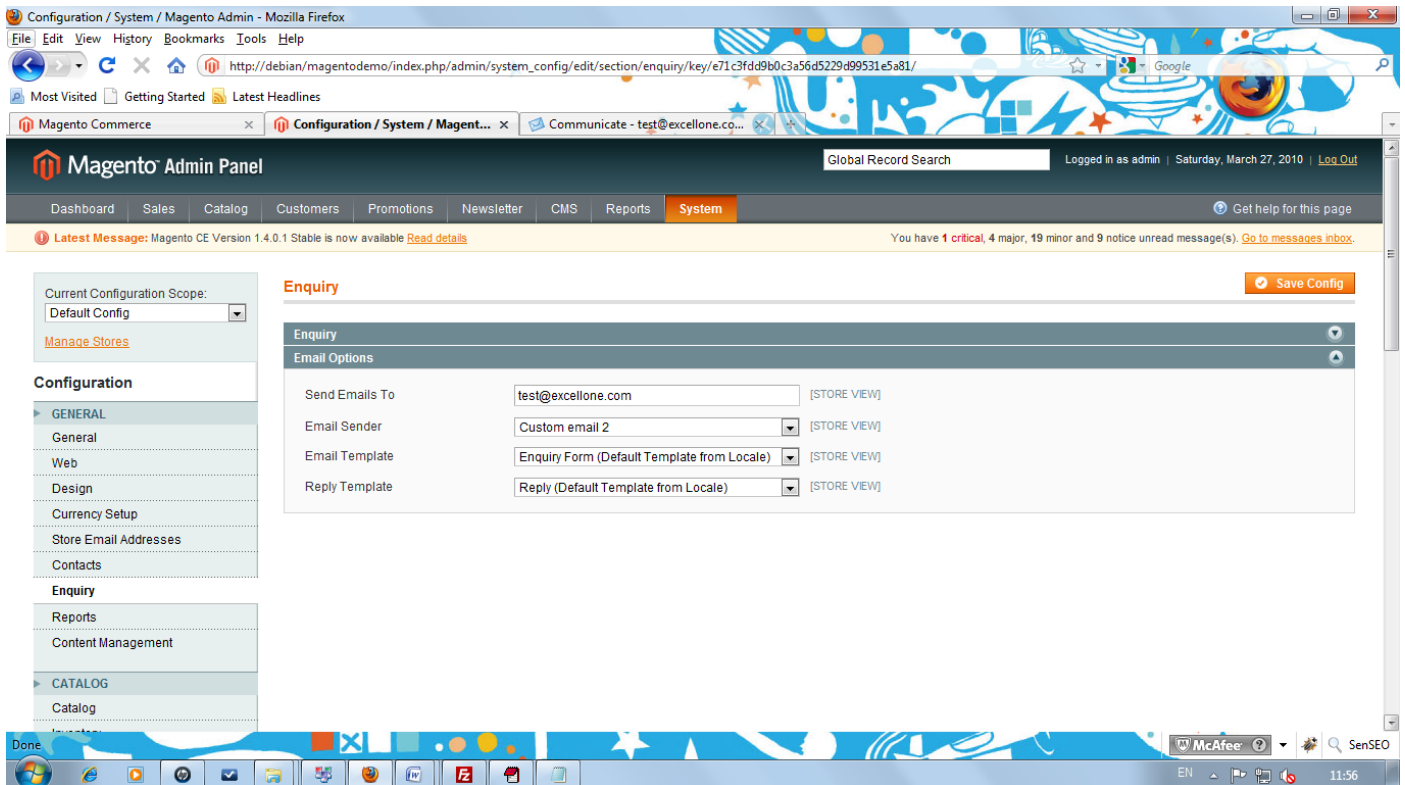

You can set the sender's address through backend.

1. Login to back end
2. Select System > Configuration menu
3. Select General tab
4. Click Enquiry link

5. Set 'yes' to Enable Enquiry for enabling the module.
6. Enter the email address where the form submitted should sent. (Eg:info@example.com)

7. Click 'Save Config' to save the edited information.
