

Magento Product Document attachment Module - Magento 1.2.x - 1.4.x

Steps for Installation

- 1) Extract the zip file Product_Document_Attachment.zip to the local folder
- 2) Create a folder named 'document' in 'media/' and give 777 folder permission for saving the files that are uploaded.
- 3) Copy the folder 'Ecsso' in app/code/local/ to /app/code/local/
- 4) Copy the folder 'document' app/design/adminhtml/default/default/template/ to app/design/adminhtml/default/default/template/
- 5) Add the following code in the view.phtml in your custom layout
(For Eg: /app/design/frontend/default/default/template/catalog/product/view.phtml)

```

-----
<?php // Document Code Start
    $baseUrl = str_ireplace("/index.php", "", $this->getBaseUrl());
    $documentDetail = Mage::getModel('document/document')->loadDocument($_product->getId()); ?>
    <?php if(isset($documentDetail[0]['document_path'])): ?>
        <h2>Product Catalogue </h2>
        <a onclick="window.open(this.href); return false;" href="<?php echo
    $baseUrl.$documentDetail[0]['document_path']; ?>">Download Catalogue</a>
    <?php endif; // Document Code End ?>
-----

```

- 6) Copy the files 'Ecsso_Adminhtml.xml' and 'Ecsso_Document.xml' in etc/modules/ to /app/etc/modules/

After installing the module, a new tab named 'Product Catalogue' will appear in the product edit page in the backend

The screenshot shows the Magento Admin Backend interface. On the left, there is a sidebar menu with 'Product Catalogue' highlighted. The main content area shows the 'HTC Touch Diamond (Cell Phones)' product edit page. At the top, there are buttons for 'Back', 'Reset', 'Delete', 'Duplicate', and 'Save'. Below these, there is a 'Document' section with an 'Upload Document:' label, a text input field, a 'Browse...' button, and a 'Submit' button. A red arrow points from the 'Product Catalogue' tab in the sidebar to the 'Document' section, and another red arrow points from the 'Browse...' button to the text input field.

You can upload the document here and it will be displayed in the product view page in the frontend.
